Ideas for Power Point Presentation:-

How to Prevent Bullying of autistic children

Educating people about the autism spectrum

Making sure that 'Autism' becomes less of an alien word. We will do this by raising awareness through these activities.

To do by next meeting

Perform own research into autism in order to better understand it.

Next session agenda

Final decision on what we will do to raise awareness.

Allocation of roles.

Provide the group with what we have each individually learnt about autism.
