

By the way I don't want to burn trees it's about stopping deforestation

# MY VISION FOR THE WORLD

This represents deforestation and how it is destroying the world and animals habitats

This is about racism and how it is wrong and in the future I would like to see the world as a more tolerant place

This is someone putting rubbish in the bin which is the right thing to do to not pollute the world

This is the wrong thing to do because not putting rubbish in the bin can contribute pollution

To to make this I used ibis paint X and photo layers

Some of the images I got of the internet but I added features and colour them in
