

Dear Parent/Carer

COVID-19 VACCINATION PROGRAMME

Please see below links from Public Health Wales sent to the school by the Vale of Glamorgan Council regarding the Covid-19 vaccination programme.

<https://phw.nhs.wales/topics/immunisation-and-vaccines/covid-19-vaccination-information/patient-information/>

<https://phw.nhs.wales/topics/immunisation-and-vaccines/covid-19-vaccination-information/patient-information/covid-19-vaccination-a-guide-for-children-and-young-people/>

There are also 2 documents attached to this Parentmail regarding the programme. Please note that the school does not take any role in the provision of any vaccination programme. Neither do we have any responsibility for parental permissions related to vaccination programmes. Any permissions or otherwise, are a matter for the health service and the School does not get involved in this process. The School's role is limited to acting as a medium for communication and to provide health staff premises and facilities if required.

Specific details of their service and how this will be facilitated will be provided by the NHS in due course and you will then be in a position to communicate with them directly.

LATERAL FLOW TEST KITS

With reference to previous Parentmail messages regarding lateral flow devices, pupils are able to pick up additional testing kits, if they wish, during registration.

We wish all families an enjoyable weekend.
Cowbridge Comprehensive School Senior Leadership Team.
