Punctuality

We would like to remind all parents/carers and pupils that morning school starts at 8.30am for registration. All pupils are expected to be in morning registration at this time unless there is a specific reason to explain the lateness/absence. Attendance during this session is compulsory.

If you are experiencing any problems in ensuring your child arrives at school on time, please contact the relevant year group achievement team.

Arrangements for pupils leaving school during the day

We fully understand that pupils may occasionally need to leave the site during the school day. This might be for medical/dental appointments or for urgent family reasons.

However, in these circumstances it is essential that members of staff in school have been informed of any need for pupils to leave site. For example, prior notice of any appointments is needed. If possible appointments should be made in time slots outside of school hours.

We would also like to remind parents/carers that pupils are not able to access or answer text messages from home during lessons. Therefore, if any essential or urgent information needs to be conveyed to a pupil, please contact the school directly and speak to or email the relevant year group achievement team.
