Dear Parent/Guardian

Whilst the ban on mobile phone use in school has been very successful, we are mindful that this does not mean that young people are free from exposure to potentially harmful apps when they use phones or other electronic devices to get online when they are not in school. Information about one such app - Omegle - is included within this week's newsletter; please do take time to read it and speak to your child about potentially harmful online content.

[Here](#) you will find this week's newsletter from Cowbridge Lower School.

Have a wonderful weekend

An important message for all parents

OMEGLE

It has come to the attention of the Local Authority that there are significant safeguarding concerns in respect of the Omegle.com website/app due to its harmful sexual content and access to personal data including locations. Children, young people and their parents/carers are advised to delete this app.

If a child/young person has been a victim of online harm/exploitation then they should report this to 101 and where required appropriate safeguarding referrals should be made. If it is believed a child is at immediate risk then emergency services should be contacted by ringing 999.

Further information on the risks associated with this website can be found at the following links:

What to do if a child has an **ASTHMA ATTACK**

Actions to take if a child has an asthma attack and when to call 999.

- 1** Help them to sit up – don't let them lie down. Try to keep them calm.
- 2** Help them take one puff of their reliever inhaler (with their spacer, if they have it) every 30 to 60 seconds, up to a total of 10 puffs.
- 3** If they don't have their reliever inhaler, or it's not helping, or if you are worried at any time, call 999 for an ambulance.
- 4** If the ambulance has not arrived after 10 minutes and their symptoms are not improving, repeat step 2.
- 5** If their symptoms are no better after repeating step 2, and the ambulance has still not arrived, contact 999 again immediately.

Important: This asthma attack advice does not apply to MART inhalers.
Speak to your GP or asthma nurse for more information.

A school asthma card contains contact details
and essential information about a child's asthma.

Young People and Vaping

Please find enclosed information regarding the increasing trend of young people engaging in vaping. Figures from the School Health Research Network Student Health and Wellbeing Survey show that 20% of young people from Year 7 to Year 11 say they've tried vaping, with 5% of secondary school pupils in Wales vaping at least once a week. A recent Public Health Wales snapshot survey of pupils in year 7 and 10 from a small sample of Welsh secondary schools found the proportion of year 10 pupils using vapes every day is around nine per cent. Among these daily vapers around two thirds showed signs of moderate or high dependency to nicotine using a validated measure.

At Cowbridge School, advice regarding the dangers of vaping is regularly included in assemblies. The wider curriculum also contains education and information for young people.

We have recently informed the police of illicit vapes being sold to young people in the community. These are of particular concern since these illicit products are often sold in informal, unregulated marketplaces (including via social media) and in small retailers, diminishing the regulations put in place to protect children and young people from the potential harms of vaping. Please could all parents be vigilant and refer your concerns to the relevant organisation contained within this important Public Health Wales Guidance.

Vaping is banned across the school premises and where young people are caught vaping, especially indoors where it is likely to trigger a whole school Fire evacuation, serious consequences will apply and this could involve Fixed-term exclusion from Cowbridge School.

School Attendance

We need you to.....

- Send your child to school on time.
- Ring/Text school early and daily if your child can not attend.
- Avoid holidays in term time.
- Keep school informed of your updated contact number.

We will.....

- Keep you regularly informed of your child's attendance.
- Treat any information you give us in a supportive and sensitive way.
- Welcome your child every day.
- Be happy that you have chosen to give your child the opportunity of the best future.

We understand that sometimes getting your children up and out on time every morning can be difficult, particularly if your child doesn't want to go for some reason.

We know that children who miss even small amounts of education can fall behind quickly and can miss out on so much. Being in school and on time increases learning and social opportunities.

Here are some ways you can help.

If you suspect that your child may be missing school or is unhappy at school, contact the school or the Inclusion Team who can help resolve any difficulties and offer friendly advice.

Take an interest in your child's education, ask them what they did in school and celebrate their successes and listen to their worries.

If you can't help them, speak to the school and let them know of any difficulties.

If your child is absent get in touch with school. Staff will work with you to help improve the situation. It's better to contact us first so that we can make sure steps are taken to help you.

Make sure your child knows that you do not approve of them missing school for any reason, but be on the alert for any particular reasons for not attending school, like bullying, difficulties with school-work.

Make sure you know the school's attendance policy; every school has one.

If your child is away for other reasons like a doctor's appointment or the dentist, let the school know in advance. Please try and book appointments towards the end of the day.

Make sure your child arrives on time to start school.

Information from the Welsh Government regarding vaccination

Vaccination is one of the most important things we can do to protect children and young people against ill health. The Welsh Government and Public Health Wales have developed the following guide to vaccinations for young people. The [guide](#) explains when and how vaccinations are offered to young people in school years 7 to 11 (ages 11 to 16) and why they are so important. Parents and carers are asked to read the guide. In addition, when each vaccination is due you will receive information from the school about the vaccination being offered along with a consent form*. Please also read this information and return the consent form as soon as possible, so that your child receives the best protection they can have against these serious diseases. Thank you.

(*Young people attending secondary schools in the Cardiff and Vale university health board area receive their year 9 vaccinations (3-in-1 and MenACWY) at their GP surgery so will not receive information about these vaccinations from schools in this area.)

Brechu yw un o'r pethau pwysicaf y gallwn ei wneud i amddiffyn plant a phobl ifanc rhag afiechydon. Mae Llywodraeth Cymru ac Iechyd Cyhoeddus Cymru wedi datblygu canllaw ar y cyd i frechiadau ar gyfer pobl ifanc. Mae'r [canllaw](#) yn esbonio pryd a sut mae brechiadau yn cael eu cynnig i bobl ifanc ym mlynnyddoedd ysgol 7 i 11 (rhwng 11 ac 16 oed) a pham eu bod mor bwysig. Gofynnir i rieni a gofalwyr ddarllen y canllawiau. Yn ogystal, pan ddaw amser rhoi pob brechiad cewch wybodaeth gan yr ysgol am y brechiad sy'n cael ei gynnig ynghyd â ffurflen ganiatâd. Darllenwch y wybodaeth hon hefyd a dychwelwch y ffurflen ganiatâd cyn gynted â phosibl, fel bod eich plentyn yn cael yr amddiffyniad gorau y gall ei gael yn erbyn y clefydau difrifol hyn. Diolch.*

Message from the School Immunisation Team

Please find below the immunisation timetable and supporting information for all school aged children for the year ahead.

Flu – Nasal Spray Flu Vaccine will be offered in school from Reception to Year 11

Anyone can get flu but children have the highest rate of infection and it can be serious for them. The vaccine can help protect your child against serious complications from flu, such as pneumonia and help protect others who may be vulnerable to complications from flu. The nasal flu spray is the best way to protect against flu and reduce the spread of the seasonal influenza virus.

HPV – The HPV vaccine will be offered to girls and boys in Secondary School from Year 8

HPV infection is very common. There is clear evidence that the HPV vaccination can reduce your child's chances of developing HPV-related cancers and HPV-related genital warts. In time, it is expected the HPV vaccine will save hundreds of lives every year in the UK by preventing cancers caused by HPV. If your child missed their HPV vaccine in school, please contact the School Nursing Immunisation Team on 02920 907661/664 or email immunisation.Cavuhbschoolnursing@wales.nhs.uk to discuss and/or book a catch-up clinic

It is vital that your child receives key routine scheduled vaccinations throughout their childhood and on time - please ensure these are up to date as they grow up. Your GP practice should invite your child to receive the following vaccines however please note that if your child attends a Cardiff and Vale school but lives outside the area, you will need to contact the GP to make an appointment.

COWBRIDGE SCHOOL

Education, inspiration and opportunities for life.

Pre Schoolers (offered from 3 years and 4 months of age)

MMR vaccine (2nd dose) protects against measles, mumps and rubella

4-in-1 vaccine (booster) which protects against diphtheria, tetanus, pertussis and polio

Between 13-15 years

3-in-1 teenage booster (Td/IPV) which protects against diphtheria, tetanus and polio

MenACWY which protects against Meningitis and Septicaemia.

If you are unsure, or think your child has missed any of these vaccinations, contact Child Health on 02921 836928 or your GP surgery and ask if they can check your vaccination record.

It is best to have vaccinations on time, but it is never too late to catch up on missed vaccinations. Vaccinations saves Lives

Ffliw – Caiff Chwistrell Brechlyn i'r Trwyn ei gynnig yn yr ysgol o Ddosbarth Derbyn i Flwyddyn 11

Gall unrhyw un ddal ffliw ond mae gan blant y gyfradd heintio uchaf a gall fod yn ddifrifol iddyn nhw. Gall y brechlyn ffliw helpu diogelu eich plentyn yn erbyn cymhlethdodau difrifol y ffliw, er enghraifft niwmonia a gall cynorthwyo i ddiogelu eraill sy'n frau i gymhlethdodau o ffliw. Chwistrell i'r trwyn yw'r ffordd orau i amddiffyn yn erbyn ffliw a lleihau lledaenu feirws ffliw tymhorol.

HPV – Caiff y brechlyn HPV ei gynnig i ferched a bechgyn o Flwyddyn 8 yn yr Ysgol Uwchradd

Mae haint HPV yn gyffredin iawn. Mae tystiolaeth clir bod y brechlyn HPV yn gallu lleihau'r posibilrwydd o'ch plentyn yn datblygu mathau o ganser sy'n gysylltiedig ag HPV a defaid gwenerol sy'n gysylltiedig ag HPV. Disgwylir, ymhen amser, y bydd y brechlyn HPV yn arbed cannoedd o fywydau bob blwyddyn yn y DU drwy atal mathau o ganser achosir gan HPV. Os nad yw'ch plentyn wedi derbyn y brechlyn HPV yn yr ysgol, cysylltwch a'r Tîm Nyrzio mewn Ysgolion ar 02920 907661/664 neu drwy e-bost: immunisation.Cavuhbschoolnursing@wales.nhs.uk i drafod ymhellach a/neu i wneud apwyntiad mewn clinig dal-i-fyny.

Mae'n angenrheidiol bod eich plentyn yn derbyn brechlynnau arferol allweddol drwy blentyndod a hynny'n amserol – plis wnewch chi sicrhau bod y brechlynnau hyn yn cael eu diweddarw wrth i'r plant dyfu. Dylai eich meddygfa deuluol wahodd eich plentyn i dderbyn y brechlynnau canlynol ond cofiwch os yw'ch plentyn yn mynychu ysgol yng Nghaerdydd a'r Fro ond yn byw tu allan i'r ardal, bydd rhaid i chi gysylltu gyda'ch meddyg teulu i wneud apwyntiad.

Plant cyn ysgol (cynigir o 3 blwydd a 4 mis oed)

Brechlyn MMR (ail ddôs) amddiffyn yn erbyn y frech goch, clwy'r pennau, a'r frech Almaeneg

Brechlyn 4-yn-1 (dôs cyfnerthol) amddiffyn yn erbyn diphtheria, tetanws, pertiwsis a pholio

Rhwng 13-15 mlwydd oed

3-yn-1 dos cyfnerthol yr ardegau (Td/IPV) sy'n amddiffyn yn erbyn diphtheria, tetanws, a pholio

MenACWY sy'n diogelu yn erbyn Llid yr Ymennydd a Septicaemia.

Os nad ydych chi'n siwr neu os ydych chi'n amau bod eich plant wedi colli un o'r brechlynnau hyn, cysylltwch ag Iechyd Plant ar 02921 836928 neu eich meddygfa deuluol a gofynnwch iddyn nhw wirio'r wybodaeth.

Y peth gorau yw cael brechlynnau yn brydlon, ond dyw hi byth yn rhy hwyr i ddal i fyny gyda'r brechlynnau.

Mae brechlynnau yn arbed bywydau. Y peth gorau yw cael brechlynnau yn brydlon, ond dyw hi byth yn rhy hwyr i ddal i fyny gyda'r brechlynnau.
