Dear Parent/Guardian,

Thank you to the vast majority of families who have supported our drive to improve and maintain uniform standards. Cowbridge School believes that the school uniform promotes a sense of belonging, identity, community and cohesion within the school and we greatly appreciate the support of parents and carers who purchase the correct uniform and insist on it being worn. This weekend, please take some time to talk to your child/ren about the importance of being part of a community and benefits of this.

There are a number of opportunities coming up to celebrate being part of the school community, including the Christmas Concert and the School Production, details of which are included in this week's newsletter. Tickets are available via ParentMail and we look forward to seeing as many of you as possible at these events.

[Here](#) you will find this week's newsletter from Cowbridge Lower School.

School Attendance

We need you to.....

- Send your child to school on time.
- Ring/Text school early and daily if your child can not attend.
- Avoid holidays in term time.
- Keep school informed of your updated contact number.

We will.....

- Keep you regularly informed of your child's attendance.
- Treat any information you give us in a supportive and sensitive way.
- Welcome your child every day.
- Be happy that you have chosen to give your child the opportunity of the best future.

We understand that sometimes getting your children up and out on time every morning can be difficult, particularly if your child doesn't want to go for some reason.

We know that children who miss even small amounts of education can fall behind quickly and can miss out on so much. Being in school and on time increases learning and social opportunities.

Here are some ways you can help.

If you suspect that your child may be missing school or is unhappy at school, contact the school or the Inclusion Team who can help resolve any difficulties and offer friendly advice.

Take an interest in your child's education, ask them what they did in school and celebrate their successes and listen to their worries.

If you can't help them, speak to the school and let them know of any difficulties.

If your child is absent get in touch with school. Staff will work with you to help improve the situation. It's better to contact us first so that we can make sure steps are taken to help you.

Make sure your child knows that you do not approve of them missing school for any reason, but be on the alert for any particular reasons for not attending school, like bullying, difficulties with school-work.

Make sure you know the school's attendance policy; every school has one.

If your child is away for other reasons like a doctor's appointment or the dentist, let the school know in advance. Please try and book appointments towards the end of the day.

Make sure your child arrives on time to start school.
