INTRODUCTION TO ARCHERY

Would you be interested in a free 3-week introduction to archery course?

Archery is a sport demanding a range of skills from a steady hand, strong shoulders, flexible muscles, a keen eye and a cool disposition.

All coaching and equipment provided.

WEEK ONE : HITTING THE TARGET

From the very first session your instructor will take the group through the basic technique to get archers shooting their first arrows. You will start to understand the different phases that make up a single shot and try out scoring.

WEEK TWO : TAKING AIM

You will be introduced to freestyle shooting, given time to refine your skills for an individual phase of shooting and develop your scoring as part of a team. You'll practice how to aim and release the arrow, and continue to get the feel for achieving good form.

WEEK THREE : GETTING THE GOLD

You will become more comfortable maintaining good basic form, developing your draw technique and shooting lots of arrows. Have the chance to win your first award.

**Spaces are limited, so register your interest via the Google Form in your school email inbox.
See Mr Morgan or Mr Gittins for more information.**
