Parent's email- Good afternoon,

I am Erica Willmott, the Community Fundraising Manager at Noah's Ark Children's Hospital and we are looking to fundraise to provide emotional support to our patients and their families.

I would be delighted (especially as my niece Isabella attends there and her sister Seren is due to join in September) if you could fundraise for us in a way that would assist your pupils with any of their curriculum, whether it be First Give, Welsh Baccalaureate or just general charity support.

If you would like further information or to arrange a chat, please get in touch.

Thank you so much

Erica
