1. Welcome to our second School Council meeting-Minutes to be taken by.....?
2. Please note -The **School Council process** for all School Council Members to follow. This is the process for your Year Council meeting.

Attend the School Council meeting.

You need to write up points from the meeting to feedback to your Year Group. Once you have prepared your notes:

1. Book a meeting with your Leader of achievement , so you can inform them on the main points of the meeting. This information should be given out in your assembly by your LoA. A School Council update will also be sent to your LOa.

2. Visit and meet with your Class Representatives for each form group to also give them the feedback from the meeting. Class reps should help you to pass on the important School Council information.

3. **Evie Kwan** - Welsh Youth Parliament

4. **Sophie Morgan** proposal for a hygiene bank

5. **Online suggestion document** - Pupil Voice - feedback to be attained.

6. Thank you to years 7 & 8 SC members helping on the open evening for the new school.

7. Promotion of Barnardos chat room -

Alex Thomas VOG-Our next step is to develop an online chat facility on the website. We don't really get YP who have accessed the service volunteering to then help develop the service. This would have a lot to do with the personal nature of Counselling and stigma. I'm wondering if you would be able to help us engage with an existing group of young people such as representatives from the School Councils for further co-production work?
